2.2 Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 **Chair's voting intentions**

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 1, Resolution 6, Resolution 7 and Resolution 8 even though these Resolutions are connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2022 in the 2022 Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2021 annual general meeting held on 30 November 2022. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2023 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

4.2 Additional information

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Re-election of Director – Mr Brett Lambert

5.1 General

Article 7.2(b) of the Constitution and Listing Rule 14.5 requires that there must be an election of Directors at each annual general meeting of the Company. A Director who retires under Article 7.2(b) is eligible for re-election under Article 7.3.

The Company confirms that it took appropriate checks into Mr Lambert's background and experience and that these checks did not identify any information of concern.

Mr Lambert is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) Purposes of issues under the 10% Placement Facility

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) Risk of economic and voting dilution

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.08 50% decrease in Current Market Price	\$0.19 Current Market Price	\$0.38 100% increase in Current Market Price

	Funds raised	\$515,491	\$1,030,982	\$2,061,964
96,653,091 Shares 50% increase in Variable A	10% Voting Dilution	9,665,309 Shares	9,665,309 Shares	9,665,309 Shares
	Funds raised	\$773,225	\$1,546,449	\$3,092,899
128,870,788 Shares 100% increase in Variable A	10% Voting Dilution	12,887,079 Shares	12,887,079 Shares	12,887,079 Shares
	Funds raised	\$1,030,966	\$2,061,933	\$4,123,865

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price (\$0.19), being the closing price of the Shares on ASX on 24 October 2022, being the latest practicable date before this Notice was signed.
 - (b) Variable A comprises of 64,435,394 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or

future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) Issues in the past 12 months

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 30 November 2021.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 Additional information

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast

by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

7. Resolution 4 – Ratification of issue of Placement Shares

7.1 General

On 28 September 2022, the Company announced that it had secured commitments for a placement to raise approximately \$1,050,000 (before costs) (**Placement**). The Placement is comprised of the following two tranches:

- (a) the issue of 6,270,000 Shares to unrelated parties at an issue price of \$0.16 per Share (**Placement Shares**); and
- (b) the issue of up to 300,000 Placement Shares to certain Directors (or their respective nominees) (**Director Placement Shares**), the subject of Resolution 5.

Bell Potter Securities Limited (**Bell Potter**) acted as the lead manager to the Placement (**Lead Manager**).

The Placement Shares were issued on 7 October 2022 using the Company's placement capacity under Listing Rule 7.1.

Resolution 4 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Placement Shares.

7.2 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12 month period following the issue of the Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 4 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% additional placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

If Resolution 4 is passed, 6,270,000 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 4 is not passed, 6,270,000 Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 6,270,000 Equity Securities for the 12 month period following the issue of those Placement Shares.

7.3 **Specific information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Placement Shares:

- (a) The Placement Shares were issued to sophisticated and institutional investors, none of whom is a related party or Material Investor of the Company. Bell Potter acted as Lead Manager to the Placement. The participants in the Placement were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the Placement from existing contacts of the Company and clients of the Lead Manager.
- (b) A total of 6,270,000 Placement Shares were issued using the Company's placement capacity under Listing Rule 7.1.
- (c) The Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Placement Shares were issued on 7 October 2022 at \$0.16 per Share.
- (e) The proceeds from the issue of the Placement Shares and upon exercise of the Placement Options have been and/or are intended to be applied towards:
 - (i) exploration activities at the Berehaven Project, 20km south-east of Kalgoorlie in the West Australia goldfields; and
 - (ii) general working capital.
- (f) There are no other material terms to the agreement for the subscription of the Placement Shares.
- (g) A voting exclusion statement is included in the Notice.

7.4 **Additional information**

Resolution 4 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 4.

8. **Resolution 5(a) and (b) - Approval of issue of Director Placement Shares**

8.1 **General**

The background to the proposed issue of the Director Placement Shares is in Section 7.1(b) above.

Messrs David Pennock and William Belbin, each a Director of the Company, have committed a total of \$48,000 under the Placement. The Director Placement Shares will be issued in the

following proportions:

Director	Amount committed (\$)	Number of Director Placement Shares
David Pennock	\$32,000	200,000
William Belbin	\$16,000	100,000

Resolution 5 seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of up to 300,000 Director Placement Shares to Messrs Pennock and Belbin (or their respective nominees).

8.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to any of the following persons without the approval of its Shareholders:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5).

Messrs David Pennock and William Belbin are related parties of the Company by virtue of being Directors. Shareholder approval pursuant to Listing Rule 10.11 is therefore required unless an exception applies. It is the view of the Board that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of the Director Placement Shares to Messrs Pennock and Belbin (or their respective nominees) will not be included in the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

The effect of Shareholders passing Resolution 5(a) will be to allow the Company to issue 200,000 Director Placement Shares, raising \$32,000 (before costs).

If Resolution 5(a) is not passed, the Company will not be able to proceed with the issue of 200,000 Director Placement Shares, and will not receive the additional \$32,000 committed by

Mr Pennock.

The effect of Shareholders passing Resolution 5(b) will be to allow the Company to issue 100,000 Director Placement Shares, raising \$16,000 (before costs).

If Resolution 5(b) is not passed, the Company will not be able to proceed with the issue of 100,000 Director Placement Shares, and will not receive the additional \$16,000 committed by Mr Belbin.

8.3 **Specific information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of the Director Placement Shares:

- (a) The Director Placement Shares will be issued to Messrs David Pennock and William Belbin (or their respective nominees).
- (b) Messrs Pennock and Belbin both fall into the category stipulated by Listing Rule 10.11.1 by virtue of each being a Director of the Company.
- (c) A maximum of 300,000 Director Placement Shares will be issued to Messrs Pennock and Belbin (or their respective nominees) in the manner and form set out in Section 8.1 above.
- (d) The Director Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (e) The Director Placement Shares will be issued no later than one month after the date of the Meeting.
- (f) The Director Placement Shares will be issued at \$0.16 per Share.
- (g) A summary of the intended use of funds raised from the Placement is in Section 7.3(e) above.
- (h) The proposed issue of the Placement Shares is not intended to remunerate or incentivise Messrs Pennock and Belbin.
- (i) There are no other material terms to the proposed issue of the Director Placement Shares.
- (j) A voting exclusion statement is included in the Notice.

8.4 **Chapter 2E of the Corporations Act**

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216

of the Corporations Act.

The proposed issue of the Director Placement Shares constitutes giving a financial benefit to related parties of the Company.

The Board considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Director Placement Shares because the Director Placement Shares will be issued on the same terms as those Placement Shares issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

8.5 Additional information

Resolution 5 is an ordinary resolution.

The Board (other than Messrs Pennock and Belbin who has a personal interest in the outcome of this Resolution) recommend that Shareholders vote in favour of Resolution 5.

9. Resolution 6(a), (b) and (c) - Approval of issue of Director Options

9.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to a total of 1,750,000 Options (**Director Options**) to the Directors (or their respective nominees) as follows:

Director	Number of Director Options	Exercise price	Expiry date
William Belbin	750,000	150% of the volume weighted average price of the Company's Shares over the five (5) Trading Days, on which Shares were actually traded, immediately prior to the date of issue	Four (4) years from the date of issue
David Pennock	500,000	150% of the volume weighted average price of the Company's Shares over the five (5) Trading Days, on which Shares were actually traded, immediately prior to the date of issue	Four (4) years from the date of issue

Brett Lambert	500,000	150% of the volume weighted average price of the Company's Shares over the five (5) Trading Days, on which Shares were actually traded, immediately prior to the date of issue	Four (4) years from the date of issue
---------------	---------	--	---------------------------------------

The Company is in an important stage of development with significant opportunities in both the near and long-term, and the proposed issue of the Director Options seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board believes that incentivising with Options is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Options to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

Resolution 6(a), (b) and (c) seeks Shareholder approval pursuant to Listing Rule 10.14 and sections 195(4) and 208 of the Corporations Act for the issue of the Director Options to the Directors (or their respective nominees) under the New Plan, the terms of which are summarised in Schedule 4 of this Notice.

The terms and conditions of the Director Options are in Schedule 2.

9.2 **Listing Rule 10.14**

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of its Shareholders:

- (a) a director of the entity (Listing Rule 10.14.1);
- (b) an associate of a person referred to in Listing Rule 10.14.1 (Listing Rule 10.14.2); and
- (c) a person whose relationship with the entity or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by Shareholders.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Options as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Options to the Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1 or the maximum permitted number of Equity Securities issued under Listing Rule 7.2, exception 13(b).

The effect of Shareholders passing Resolution 6(a) will be to allow the Company to issue up to 750,000 Director Options to Mr William Belbin (or his nominees).

If Resolution 6(a) is not passed, the Company will not be able to proceed with the issue of Director Options to Mr Belbin (or his nominees), and the Company will have to consider alternative commercial means to incentivise Mr Belbin.

The effect of Shareholders passing Resolution 6(b) will be to allow the Company to issue up to

500,000 Director Options to Mr David Pennock (or his nominees).

If Resolution 6(b) is not passed, the Company will not be able to proceed with the issue of Director Options to Mr Pennock (or his nominees), and the Company will have to consider alternative commercial means to incentivise Mr Pennock

The effect of Shareholders passing Resolution 6(c) will be to allow the Company to issue up to 500,000 Director Options to Mr Brett Lambert (or his nominees).

If Resolution 6(c) is not passed, the Company will not be able to proceed with the issue of Director Options to Mr Lambert (or his nominees), and the Company will have to consider alternative commercial means to incentivise Mr Lambert.

9.3 Specific information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Options:

- (a) The Director Options will be issued under the New Plan to Messrs William Belbin, David Pennock and Brett Lambert (or their respective nominees).

- (c) A maximum of 1,750,000 Director Options will be issued to the Directors (or their respective nominees) in the proportions set out in Section 9.1 above.

No Securities have been issued to Directors under the New Plan.

- (f) The Director Options will be issued on the terms and conditions set out in Schedule 2.
- (g) The Board considers that the Director Options, are an appropriate form of incentive because they reward the Directors for achievement of sustained growth in the value of the Company. Additionally, the issue of Director Options instead of cash is a prudent means of rewarding and incentivising the Directors whilst conserving the Company's available cash reserves.
- (h) A valuation of the Director Options is in Schedule 3.
- (i) The Director Options will be issued to the Directors (or their respective nominees) as soon as practicable following the Meeting and in any event not later than three years after the Meeting.

- (n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.
- (o) A voting exclusion statement is included in the Notice.

9.4 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the

Corporations Act.

The proposed issue of the Director Options constitutes giving a financial benefit to related parties of the Company.

Given the personal interests of all the Directors in the outcome of this Resolution, the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Options. Notwithstanding that the issue of the Director Options is considered by the Board as reasonable remuneration and therefore falls within the exception stipulated by section 211 of the Corporations Act, the Board considers that there may be potential conflicts of interest should Shareholder approval not be sought.

9.5 **Information required under Chapter 2E of the Corporations Act**

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Options:

(a) **Identity of the related parties to whom Resolution 6 permit financial benefits to be given**

Refer to Section 9.2(a) above.

(b) **Nature of the financial benefit**

Resolution 6 seeks Shareholder approval to allow the Company to issue the Director Options in the amounts specified in Section 9.1 to the Directors (or their respective nominees).

The Director Options are to be issued in accordance with the New Plan and otherwise on the terms and conditions in Schedule 2.

The Shares to be issued upon exercise of the Director Options will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

(c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders in relation to this Resolution.

(d) **Valuation of financial benefit**

A valuation of the Director Options is in Schedule 3.

(e) **Remuneration of Directors**

Refer to Section 9.3(d) above.

(f) **Existing relevant interest of Directors**

At the date of this Notice, the Directors (or their respective nominees) hold the following relevant interests in Equity Securities of the Company:

Director	Shares	Options
William Belbin	2,300,000	3,000,000
David Pennock	2,700,000	2,750,000
Brett Lambert	400,000	2,000,000

Assuming that Resolution 6 is approved by Shareholders, all of the Director Options are issued, and exercised into Shares, and no other Equity Securities are issued or exercised (including any existing Options held by the Directors (or their respective nominees) as at the date of this Notice), the respective interests of each Director in the Company would (based on the Share capital as at the date of this Notice) be:

Director	Interest in the Share capital of the Company
William Belbin	4.73%
David Pennock	4.97%
Brett Lambert	1.40%

(g) **Dilution**

The issue of the Director Options will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Options vest and are exercised. The potential dilution effect is summarised below:

Director Options	Dilutionary effect
William Belbin	1.15%
David Pennock	0.77%
Brett Lambert	0.77%
TOTAL	2.69%

The exercise of all of the Director Options will result in a total dilution of all other Shareholders' holdings of 2.69% on a fully diluted basis (assuming that all other Options are exercised). The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.515 per Share on 25 October 2021

Lowest: \$0.15 per Share on 15 June 2022

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.19 per Share on 24 October 2022.

(i) **Corporate governance**

Messrs William Belbin and David Pennock are executive directors of the Company and therefore the Board (other than Messrs Belbin and Pennock) believe that the grant of those Director Options to Messrs Belbin and Pennock with performance-based millstones is in line with Recommendation 8.2 of the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Board notes that the grant of those Director Options to Mr Brett Lambert is in line with Recommendation 8.2 of the Recommendations and that the grant does not affect the independence of Mr Lambert as there are no performance-based milestones (other than service-based millstones) attaching to those Director Options.

(j) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Options (including fringe benefits tax).

(k) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6.

9.6 **Additional information**

Resolution 6 is an ordinary resolution.

The Board declines to make a recommendation in relation to each of the resolutions which form part of Resolution 6 due to their personal interests in the outcome of the Resolution.

10. **Resolution 7 - Approval of New Plan**

10.1 **General**

On 1 October 2022, amendments to the Corporations Act came into effect, simplifying the

process for incentivising participants under employee share schemes (**ESS**). Division 1A was introduced into Part 7.12 of the Corporations Act, providing a separate regime for the making of offers in connection with an ESS (**New Regime**). This regime replaced the current relief afforded by ASIC Class Order 14/1000 (**Class Order**), which commenced on 30 October 2014.

To ensure that the Company is afforded the relief provided by the New Regime, the Company considers it necessary to adopt a new ESS that makes reference to the New Regime and includes the changes that came into effect on 1 October 2022.

Resolution 7 seeks Shareholder approval for the adoption of the new ESS titled the 'Metal Hawk Limited Employee Securities Incentive Plan' (**New Plan**) in accordance with Listing Rule 7.2 exception 13(b), for the sole purpose of ensuring that the Company is afforded the relief provided by the New Regime.

Under the New Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the New Plan, a summary of the key terms and conditions is in Schedule 4. In addition, a copy of the New Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the New Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

10.2 Key changes between the Class Order and New Regime

The following table summarises the key changes implemented by the New Regime for "Invitations" (within the meaning given in the New Plan) made on or after 1 October 2022:

	Current position under the Class Order	Position from 1 October 2022
Disclosure obligations	<p>The Class Order mandates certain information that must be provided to ESS participants.</p> <p>There is no difference between the disclosure requirements where ESS Interests are offered for monetary consideration or for no monetary consideration.</p>	<p>If the offer of ESS Interests is for no monetary consideration: There are no prescribed disclosure obligations, other than a statement that the offer is made under Division 1A.</p> <p>If the offer of ESS Interests is for monetary consideration:</p> <ul style="list-style-type: none"> Certain prescribed disclosure requirements apply. These disclosure requirements are similar (although different) to the current disclosure requirements under the Class Order. The participant cannot acquire the ESS Interests until 14 days after receiving the above disclosure. This mandates a waiting period ensuring a

		<p>participant has time to consider their decision and seek legal financial advice.</p> <ul style="list-style-type: none"> Any associated trust, contribution plan and loan arrangement will need to comply with specified requirements.
Eligible participants	<ul style="list-style-type: none"> Directors; Full-time and part-time employees; Casual employees and contractors, provided they work the number of hours that are the pro-rata equivalent of 40% or more of a comparable full-time position with the entity. 	<ul style="list-style-type: none"> Directors; Full-time and part-time employees; Any service providers to the entity (with no minimum requirement of hours of service provided); Certain 'related persons' to the above.
5% limit	The maximum number of ESS Interests that can be issued under the Class Order relief over a three-year period is 5% of the issued share capital.	<p>If the offer of ESS Interests is for no monetary consideration: There is no limit on the number of such ESS Interests that may be issued.</p> <p>If the offer of ESS Interests is for monetary consideration: The number of ESS Interests issued over a three-year period must not exceed 5% of the issued share capital. Entities may specify a different issue cap in their constitution, which the Company seeks to do under Resolution 9, amending this cap to 10% of its issued share capital.</p>
Quotation requirement	An entity's shares must have been quoted for three months before the Class Order relief is available.	Newly listed entities can offer ESS Interests under the new regime without any minimum quotation period. This will make it much simpler for newly listed entities to offer ESS Interests.
Suspension	For the Class Order relief to be available, the entity's shares must not have been suspended for more than 5 days over the previous 12 months.	The new regime permits an entity to offer ESS Interests regardless of any suspension to the trading of its shares.

On-sale relief	Relief is provided from the on-sale provisions for securities issued under the Class Order.	There is no equivalent relief under the new provisions. This means cleansing notices (or cleansing prospectuses for entities unable to rely on a cleansing notice) must be issued in order to ensure shares may be on-sold within 12 months of issue.
ASIC involvement	A 'Notice of Reliance' must be submitted to ASIC to rely on the Class Order relief.	There are no ASIC lodgement requirements. ASIC has the power to require the provision of documents necessary in order to form an opinion about whether the regime has been complied with. ASIC has also been given express enforcement powers including the ability to issue 'stop orders'.
Criminal offences	N/A	New ESS related criminal offences have been introduced regarding certain misleading or deceptive statements or omissions.

10.3 Listing Rules 7.1, 7.1A and 7.2, exception 13(b)

Broadly speaking, Listing Rule 7.1 limits the ability of a listed entity from issuing or agreeing to issue Equity Securities over a 12-month period which exceeds 15% of the number of fully paid ordinary Shares it had on issue at the start of the 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 and 7.1A such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1 and 7.1A.

Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the New Plan from those set out in this Notice in Schedule 4.

If Resolution 7 is passed, the Company will be able to issue up to a maximum of 6,500,000 Equity Securities under the New Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1, or 10% annual placement capacity under Listing Rule 7.1A.

However, any future issues of Equity Securities under the New Plan to a related party or a

person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 7 is not passed, any issue of Equity Securities pursuant to the New Plan must either be undertaken using the Company's 15% annual placement capacity under Listing Rule 7.1, or 10% annual placement capacity under Listing Rule 7.1A, or with prior Shareholder approval.

10.4 **Specific information required by Listing Rule 7.2, exception 13(b)**

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the New Plan:

- (a) A summary of the material terms of the New Plan is in Schedule 4.
- (b) As at the date of this Notice, no Equity Securities have been issued under the New Plan. The Company intends to issue the Director Options the subject of Resolution 6(a) to (c) under the New Plan.
- (c) The Company adopted its existing employee securities incentive plan (**Existing Plan**) as an exception to Listing Rule 7.1 and 7.1A under Listing Rule 7.2, exception 13(b) prior to its admission to the Official List. The Company has issued the following Equity Securities under the Existing Plan:

Issue date	Equity Security	Number of Equity Securities
13 September 2019	Options	6,000,000
1 December 2021	Options	1,750,000

- (d) The maximum number of Equity Securities proposed to be issued under the New Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 7 is 6,500,000 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). This number comprises approximately 10% of the Company's Equity Securities currently on issue.
- (e) A voting exclusion statement is included in the Notice.

10.5 **Additional information**

Resolution 7 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 7 due to their personal interests in the outcome of the Resolution.

11. **Resolution 8 - Approval of potential termination benefits under the New Plan**

11.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the New Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the New Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of New Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

If Resolution 8 is not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the New Plan.

11.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 7, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the New Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

As noted above, under the terms of the New Plan and subject to the Listing Rules, the Board possesses the discretion to vary the terms or conditions of the Plan Securities.

Notwithstanding the foregoing, without the consent of the participant in the New Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the New Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

11.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the New Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

11.4 Additional information

Resolution 8 is conditional on the passing of Resolution 7.

If Resolution 7 is not approved at the Meeting, Resolution 8 will not be put to the Meeting. Resolution 8 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 8 due to their potential personal interests in the outcome of the Resolution.

12. Resolution 9 - Modification of existing Constitution

12.1 General

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 9 seeks the approval of Shareholders to modify the Company's existing Constitution.

The proposed modifications to the existing Constitution will incorporate recent amendments to the Corporations Act regarding the holding of meetings of Shareholders using virtual meeting technology.

The Directors believe that it is preferable in the circumstances to simply modify one provision of the existing Constitution rather than repealing the entire existing Constitution and replacing it with a new constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders.

A copy of the modified Constitution is available for review by Shareholders at the Company's website <https://www.metalhawk.com.au/asx-announcements> and at the office of the Company. A copy of the modified Constitution can also be sent to Shareholders upon request to the Company Secretary at <mailto:admin@metalhawk.com.au>. Shareholders are invited to contact the Company if they have any queries or concerns.

If Resolution 9 is passed, the Company will adopt the modified Constitution with effect from the date this Resolution 9 is passed.

12.2 Summary of material proposed changes

(a) Convening a general meeting (Article 5.2)

The modifications provide for the ability of the Company to hold general meetings using virtual technology only, as well as physical or hybrid meetings. This improved flexibility is necessary to ensure the Company is able to hold general meetings at times where physical meetings may not be practicable (such as during pandemics).

Set out below is the proposed modifications to Article 5.2 of the existing Constitution:

Prior to modification:

5.2 Convening a general meeting

- (a) *The Directors may convene and arrange to hold a general meeting of the Company whenever they think fit and must do so if required to do so under the Corporations Act.*
- (b) *The Company may hold a meeting of Members at 2 or more venues using any technology that gives the Members as a whole a reasonable opportunity to participate.*
- (c) *Notice of a general meeting must be given in accordance with article 14, the Corporations Act and the Listing Rules.*
- (d) *In computing the period of notice under article 5.2(c), the day of the meeting is to be disregarded.*
- (e) *A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of shares in the capital of the Company and is entitled to speak at those meetings.*

After modification:

5.2 Convening a general meeting

- (b) *The Company may hold a meeting of Members at a time determined by the Directors:*
 - (i) *at one or more physical venues;*

(ii) *at one or more physical venues and using virtual meeting technology; and*

(iii) *using virtual meeting technology only,*

provided that, in each case, Members as a whole are given a reasonable opportunity to participate in the meeting, and otherwise in the manner determined by the Directors.

(c) *If the Directors elects to use virtual meeting technology for a general meeting of the Company, the Directors will determine the type of virtual meeting technology to be used, which may include any combination of telephone, video conferencing, messaging, smartphone application or any other audio and/or visual device which permits instantaneous communication.*

(d) *Notice of a general meeting must be given in accordance with article 14, the Corporations Act and the Listing Rules.*

(e) *In computing the period of notice under article 5.2(d), the day of the meeting is to be disregarded.*

(f) *A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of shares in the capital of the Company and is entitled to speak at those meetings .*

(b) **Issue cap for offers involving monetary consideration under an employee incentive scheme**

The proposed amendment provides the ability for the Company to increase the 5% issue cap under the Corporations Act in respect of offers for monetary consideration under the New Plan to 10% (see Section 10.2 above).

Set out below is the proposed modification to the existing Constitution:

(i) Insert as new definitions in Article 1.1:

ESS Interests *has the meaning under section 1100M(1) of the Corporations Act.*

Share *means a fully paid ordinary share in the capital of the Company.*

(ii) Insert as a new Article 2.8:

2.8 Issue cap for offers involving monetary consideration under an employee incentive scheme

For the purposes of section 1100V(2)(a) of the Corporations Act, the Company may only make an offer of ESS Interests if, at the time the offer is made, the Company reasonably believes:

(a) the total number of Shares that are, or are covered by, the ESS Interests of the Company that may be issued under the offer; and

(b) the total number of Shares that are, or are covered by, the ESS Interests that have been issued, or could have been issued, under offers made under the Company's employee share scheme at any time during the 3 year period ending on the day the offer is made,

does not exceed 10% of the number of Shares actually on issue as at the start of the day the offer is made.

12.3 **Additional information**

Resolution 9 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 9.

- (d) (**Exercise Price**): Subject to paragraph (k), the amount payable upon exercise of each Option will be equal to 150% of the volume weighted average price of the Company's Shares over the five (5) Trading Days, on which Shares were actually traded, immediately prior to the date of issue (**Exercise Price**).
- (e) (**Notice of Exercise**): The Options may be exercised by notice in writing to the Company in the manner specified on the Option certificate (**Notice of Exercise**) and payment of the Exercise Price for each Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

- (o) **(Adjustments for reorganisation):** If there is any reorganisation of the issued share capital of the Company, the rights of the Option holder will be varied in accordance with the Listing Rules.

Schedule 4 Summary of Material Terms of New Plan

A summary of the material terms and conditions of the New Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that has been determined by the Board to be eligible to participate in the New Plan from time to time and is an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:
- (i) an employee or director of the Company or an individual who provides services to the Company;
 - (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
 - (iii) a prospective person to whom paragraphs (i) or (ii) apply;
 - (iv) a person prescribed by the relevant regulations for such purposes; or
 - (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).
- (b) **(Maximum allocation):** The Company must not make an offer of Securities under the New Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the New Plan at any time during the previous 3 year period,
- would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.
- The maximum number of equity securities proposed to be issued under the New Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the New Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.
- The Company will require prior Shareholder approval for the acquisition of equity securities under the New Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director’s associate is such that, in ASX’s opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.
- (c) **(Purpose):** The purpose of the New Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity

to Eligible Participants to receive an equity interest in the Company in the form of Securities.

- (d) **(Plan administration):** The New Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the New Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the New Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the New Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the New Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the

number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the New Plan rules, or such earlier date as set out in the New Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the New Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the New Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares):** All Shares issued under the New Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a

Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

- (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the New Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the New Plan and determine that any amendments to the New Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the New Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The New Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the New Plan for a fixed period or indefinitely, and may end any suspension. If the New Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
